Attention FLL Coaches:

Registration for Regional Qualifier events will open at 5pm on Thursday, October 15th.

Registration is on a first come – first serve basis. Some events fill very quickly. We cannot guarantee teams will attend specific events.

In order to register your team follow the following steps:
1. Go to https://www.isek.iastate.edu/fll/regional-qualifiers/
2. Find the event* that you would like to attend
3. Click on the city name for the event you are interested in (links are in purple text)
4. Fill out the required information on the form that pops up – attached you will find a list of what information you will need
5. Click “submit”

*Please note that for the events in Cedar Rapids and Marion there will be morning and afternoon sessions. Select one session you would like to attend as each are independent events.

If you advance to the State Championship, the Regional event you attend will determine if you participate on Saturday or Sunday. Each Regional’s Championship day is indicated on our website.

If you receive the following message after clicking a link or after clicking “submit” on the form, that event has been filled. Please have an alternate event that you would like to attend just in case. Every tournament will have a team capacity of 12-36 teams. Registration at each event will close after capacity has been reached. No exceptions will be made. All teams have the same opportunity of advancing to the State Championship from each Regional.

There is a one-time, non-refundable fee of $50 to attend a Regional. This fee also covers the State Championship if your team advances. You will receive a bill from Iowa State University with instructions on how to remit payment.

You must be an official team registered with FIRST in order to participate in Regional Qualifier events. In order to ensure every team has an opportunity to attend a Regional event, each team is only allowed to register for one tournament.

All student participants, coaches, and mentors participating in the Iowa FLL tournament structure must have a signed Consent and Release form before attending a regional
event. This form can be signed electronically so that a coach bringing a team to an event would only have to print a team roster that shows the status of all coaches/team members.

If you have questions regarding registration or FLL in general, please email fll@iastate.edu. For event specific questions, you will be contacted by the organizer of your event with details including schedules, parking, food, and any other information you may need to know.
