

# JOIN US FOR IOWA MANUFACTURING DAY

**A fall celebration of modern manufacturing to inspire the next generation of manufacturers.**

Join thousands of manufacturers across North America as they open their doors to show the public what modern manufacturing looks like and inspire the next generation of skilled workers.

Manufacturing Day addresses common misperceptions about manufacturing by giving manufacturers an opportunity to open their doors and show, in a coordinated effort, what manufacturing is — and what it isn't.

Want your students to see robotics, automation, computer science professionals? Learn about the community and attend Manufacturing Day!
